November, 1951, enjoining the strictest impartiality on the part of Government servants of all categories during the General Elections shall be applicable to all bye-elections as well.

2. In view of the ensuing bye-election in Sorab-Shikaripur Assembly Constituency, the attention of all Government servants is invited to the Official Memorandum, dated 3rd January, 1953, and in particular to paragraphs 3, 4, 5 and 6 therein, which are reproduced hereunder :—

"The Standing Orders of Government already lay down that a Government servant, may not take part in or subscribe in aid of any political movement. Nor may he attend any political meeting, his presence at which is likely to be misconstrued or to impair his public usefulness. If there is room for doubt whether any action of a Government servant will contravene these provisions, he should refer the matter for the orders of the Government authority to whom he is immediately subordinate. A Government servant shall not canvass or otherwise interfere or use his influence or take part in any elections to a legislative body, provided that a Government servant, who is qualified to vote at such elections may exercise his vote, but, if he does so, shall not give any indication of the manner in which he proposes to vote or has voted.

"His Highness the Maharaja desires that the forthcoming General Elections should be conducted with absolute impartiality and maximum efficiency, and to this end, enjoins upon every Government servant connected with the Election work, whether he is a Returning Officer or Presiding Officer, Polling Officer, or a Police Officer, Peon or a Village Officer, deputed for duty at a polling station, that scrupulous regard for integrity, impartiality and efficiency in the discharge of work should be exercised. It is imperative that Government servants connected in any manner with the Election work should familiarise themselves with the provisions of law, rules and the circular instructions laid down for guidance in their work and avoid committing any irregularities in the Election procedure and duties entrusted to them.

"While a Government servant is free to exercise his franchise in favour of any candidate of his choice, the Rajpramukh desires it to be clearly understood that all Government servants including Shanbhogues and Patels, whether the office they hold is a whole-time office or not, should abstain from all acts which are likely to lead to the slightest suspicion or suggestion that any of them is working for the furtherance of the prospects of election of any candidate.

"A Government servant deviating from this rule of conduct will render himself liable to stern disciplinary action. It will be the special responsibility of all Heads of Departments and the Deputy Commissioners to enforce this rule strictly, cases of any deviation from it being reported immediately to Government."

M. K. VARADARAJAN,
Joint Secretary to Government,
Elections.

LOCAL SELF-GOVERNMENT AND PLANNING SECRETARIAT

Passes Orders re the Constitution of the District and Taluk Advisory Committees for the amelioration of the condition of Depressed Classes.

ORDER No. L.B. 6290-301—A.D.C. 34-54-2, DATED BANGALORE, THE 20TH SEPTEMBER 1954.

The work of ameliorating the condition of Depressed Classes has been engaging the continuous attention of Government for nearly two decades. In the year 1938, the Revenue Commissioner was appointed Special Officer for this work and in the year following a Committee of officials and non-officials with the Revenue Commissioner as Chairman was constituted to consider and advise on the measures needed to secure the all-round improvement of the Depressed Classes.

Later on, Taluk and District Committees for the same purpose were set up and they were being reconstituted once in four and three years, respectively.

The Taluk and District Committees were discontinued with the inauguration of the Rural Development Scheme in 1948, but in 1952 a Central Depressed Class Policy Committee was constituted with the Chief Minister as Chairman and the Minister for Public Health and Local Self-Government as Deputy Chairman.

With the increasing recognition of the importance attaching to the work of improving the lot of Depressed Classes as speedily as possible, the question of reviving the Taluk and District Advisory Committees has been under the consideration of Government for some time past. The Central Depressed Class Policy Committee has also been suggesting the revival of these Committees.

The work of ameliorating the condition of Depressed Classes is a joint responsibility to be undertaken not only by persons belonging to Depressed Classes, but by those of the other communities also. In fact the responsibility of the other communities is even greater, carrying with it an obligation to do their utmost in this behalf. In order, however, to allay any fears that persons of the Depressed Classes may feel in regard to other communities being associated with them on these Committees, suitable instructions were given to the Commissioner for Depressed Classes, while calling for proposals for the constitution of Committees, to provide that a majority of non-official seats on each of these Committees should be held by persons belonging to the Depressed Classes. The Commissioner for Depressed Classes, in conformity with the instructions of Government, has proposed lists of names of persons for the constitution of nine District and eighty-two Taluk Advisory Committees (excluding Bellary District and its Taluks) on the following basis:—

Each District Advisory Committee will consist of fifteen members with the Deputy Commissioner of the District as Chairman. Of the fourteen non-official seats, eight will be taken up by Depressed Class persons.

Similarly the Taluk Advisory Committee is to consist of nine members with the Amildar of the Taluk as Chairman and the President of the Municipal Council of the Taluk Headquarters Town as an *Ex-officio* member. Four of the remaining seven non-official seats will be given to persons of the Depressed Classes. Government approve of the constitution of the District and Taluk Advisory Committees for the amelioration of the condition of Depressed Classes as above. Approval is also accorded to the lists of names of the persons proposed by the Commissioner for Depressed Classes as members of the District and Taluk Advisory Committees, respectively as appended to this order. The Committees may meet as often as necessary, but not less than four meetings should be held in a year.

G. V. K. RAO,
Secretary to Government,
Local Self-Government and Planning Departments.
